

UIUX Developer Assignment

Overview & Purpose:

Thank you for applying for the position of UI/UX Developer. We need all candidates to complete the accompanying assignment as part of the interview process. We do this to learn more about you and your work style.

The assignment is included, along with explicit directions for completing and submitting it. Please read and follow the directions to ensure successful completion.

Mockup Design Brief: Home Landing Page Development

Objective: Create a responsive Home Landing Page that closely mirrors the provided mockup design, following all specified elements and details.

Resources:

- **Mockup Source Files:** Available on Google Drive JPG, Videos and Figma source file separate link provided on bottom.
- **Reference Videos:** Available on Google Drive, showcasing menu and content animations.
- **Animation Example:** Apply smooth transition animations to all headings, paragraphs, and images to replicate the effects demonstrated in the "Section-Animation.mp4 video".

Requirements:

1. **Responsive Design:**
 - Develop the landing page to be fully responsive across devices, matching the layout and elements of the provided mockup.
2. **Header and Navigation:**
 - **Hamburger Menu:** Implement a hamburger menu that aligns with the design in the mockup.
 - **Popup Menu:** Create menu popup that appears when the hamburger icon is clicked, and showing images swipe transition on mouse hover of menu link, as shown in the reference video ("1.0.HomePage-Open Menu-Desktop.jpg").
3. **Typography and Colors:**
 - Match text color, font family, and font size exactly as specified in the Figma file to ensure visual consistency.
4. **Content Animations:**
 - Implement animations for web content and images, as shown in the sample reference video "Section-Animation.mp4" available on Google Drive.

Note: Development Query: HTML, Sass, GSAP, JavaScript/jQuery, as per requirement.

The Google Drive link includes the mockup JPG files and two videos demonstrating animation and transition examples.

Figma Source File: <https://www.figma.com/design/dCAIH94MzUgKZUPgPePYWP/Developer-Test-2025?node-id=0-1&p=f&t=28zfPWyeT4tWpHzu-0>

Please send the Mockup development assignment to the candidate and let us know if you need any additional information.

We wish you the best of luck with the task.

Note: Deadline for submission of the design is January 31st, 2025.

Thank you.
